

CMwM2015 is under the patronage of

President of the Polish Academy of Sciences
Professor Michał Kleiber

President of Berlin University of Technology
Professor Christian Thomsen

Rector of Poznan University of Technology
Professor Tomasz Łodygowski

Rector of the University of Zielona Góra
Professor Tadeusz Kuczyński

and under the auspices of

European Community on
Computational Methods in Applied Sciences
Professor Ekkehard Ramm

Venue

CMwM2015 will take place at the conference centre in Łagów (125 km from Poznań, 140 km from Berlin).

Participants of the conference will be accommodated in Holiday House "LEŚNIK".

Tribute to Professor K. Wilmański

We are very pleased to invite you to participate in the **2nd INTERNATIONAL CONFERENCE ON CONTINUOUS MEDIA WITH MICROSTRUCTURE.**

CMwM2015 is organized in memory of Professor Krzysztof Wilmański who regrettably passed away on 26 August 2012.

The 1st conference CMwM took place in Zielona Góra in 2010 to celebrate the 70th birthday of Professor Krzysztof Wilmański (b. 1 March 1940).

Paying tribute to this outstanding scientist we would like to continue the main ideas of the first conference: enriching and extending classical continuum models by various aspects.

CMwM2015 is organized by

**International
Conference on
Continuous Media
with Microstructure**

CMwM2015

**2 – 5 March 2015
Łagów, Poland**

Topics

We welcome contributions in any of the complementary pillars of scientific research, i.e.: theory, experiment, and computational simulation, which are concerned with problems covered by the conference title.

In particular:

- thermodynamic and mathematical modelling of materials with extensions of classical constitutive laws
- single and multicomponent media including modern multifunctional materials
- linear and nonlinear wave propagation
- multiscale and multiphysics processes
- phase transformations
- porous, granular and composite materials.

Information for participants

Registration of participants and abstract submission is available through the conference webpage:

www.cmwm.put.poznan.pl

Important dates

- 31 October 2014 - Abstract submission and registration
- 30 November 2014 - Notification of acceptance
- 15 December 2014 - Last day for early registration fee (reduced)
- 31 January 2015 - Deadline for registration fee (and reservation of accommodation)
- 2– 5 March 2015 - Conference

Conference fee

	Early	Late
Participants	500 €	600 €
Young scientists	400 €	500 €
Accomp. persons	250 €	250 €

The conference fee covers:

- conference proceedings and materials
- access to all scientific sessions
- accommodation (3 nights) and full board
- conference dinner (in the Castle of the Order of St. John).
