OBJECTIVES

RehabStructures 2015 elects as its main objective to establish the state of the art associated to the rehabilitation and sustainability of structures, namely considering the conference topics:

- Health monitoring of structures
- Damage detection techniques
- Models for nonlinear material behaviour applied to repair including thermo-mechanic, rate dependency and dynamic effects
- Damage and fracture mechanics
- Models for the design of repaired and rehabilitated structures
- Multiphysics phenomena
- Multiscale analysis
- Durability and environmental aspects
- Performance under extreme conditions
- Composites and other repairing materials
- Sustainable structures
- Quality control advanced techniques
- Structural reverse engineering and optimal design
- Identification-documentation-rehabilitation flowchart
- among others...

REGISTRATION FEES (EUR)

Registration Fees Until January 31st, 2015
- ECCOMAS/APMTAC Members: 400 €
- Non ECCOMAS/APMTAC Members: 450 €
- Poster/Student: 250 €
- Assisting Persons(*): 170 €

Registration Fees After January 31st, 2015
- ECCOMAS/APMTAC Members: 500 €
- Non ECCOMAS/APMTAC Members: 550 €
- Poster/Student: 300 €
- Assisting Persons(*): 200 €

The presenting author of each paper must have registered by 1st March, 2015 for the paper to be included in the proceedings and scheduled for presentation.
