

Report on ECCOMAS Thematic Conferences 2015

- 24 Conferences in 10 European countries
- In total 3745 participants, ranging from 42 to 451 delegates
- Mostly very international, except a few which have a national dominance
- Majority in CSM, but also quite a few on CFD; CAM- and SC-topics anyway included in practically all of them
- Mostly research oriented, a few practice oriented
- All of them continue in 2017
- Registration fees vary from 395 to 550 Euro (£500), students from 195 to 450; except a few student fees are reasonably low
- Most TCs use the corporate design of ECCOMAS for flyers and homepages; others should be encouraged to follow the templates given in the ECCOMAS website.
